Perennials at Our Nursery

PANSY SEED

International Exhibition Mixture.—Absolutely unapproachable in quality. I offer this mixture of Giant Flowering Pansies to my customers with pride. It is composed of most carefully selected varieties of the choicest Pansies of my own wonderful strain and the finest of the new kinds introduced by the leading European and American Pansy specialists. The flowers are uniformly of the largest size, colors striking in their brilliancy, and yet retaining all the delicate shades, hues and pencilings that have made the Pansy one of our most favored flowers. My aim is to keep my Florists' Mixture at the very top of all mixtures and to make it absolutely unapproachable in quality. $\frac{1}{4}$ oz., \$2.00; 1 oz., \$7.00; 4 ozs., \$25.00.

SPECIAL—\$5.00

A bed of fine Iris as a trial.
2 plants each of 30 of my choice Iris, or
60 plants all labeled.
My selection sent as a trial offer.

NOTICE TO CUSTOMERS

Not less than six of a variety will be supplied at the dozen rate, nor less than 25 of a variety at the hundred rate, nor less than 250 of a variety at the thousand rate.

No charges for packing. We use wooden boxes, or other suitable materials.

After delivering to the forwarders, all goods are entirely at the risk of the purchaser, and if any loss occurs, the forwarders alone must be held responsible.

Customers desiring stock shipped C. O. D. must remit one-fourth of the amount of their purchase when ordering.

Please state whether goods are to be shipped by express, freight or mail.

Claims, if any, must be made promptly on receipt of goods, when they will be carefully examined, and, if just, all made satisfactory. Claims made after ten days from receipt of goods will not be entertained.

At the prices quoted, purchasers pay transportation charges.

I warrant all stock true to name, with the express understanding and agreement with the purchaser that, should any prove not true to name, I will return the money paid, or will replace with other stock; but it is mutually agreed between the purchaser and myself that I shall not under any circumstances be held responsible for a greater amount than the original price of the stock.

TERMS OF PAYMENT: To customers of established credit or whose responsibility is known to me, my terms are sixty days net. Others will please send cash with their orders, or three references to parties in the trade with whom they have had credit relations, and allow sufficient time to investigate same.

My reference: The Mountville National Bank, American Express Co., and our increasing business.

HARDY PLANTS FOR THE ROCKERY

While I grow a variety of plants and bulbs, I call the "Hardy Old Fashioned" Plants for "Rockeries" and "Gardens" my specialty. The following short list of hardy stock is suitable for rock gardening. I have included such varieties that the average person is familiar with, and my patrons who either take care of their grounds themselves, or who put them in charge of inexperienced help, are not apt to be successful with a lot of the other varieties, named on lengthy botanical lists. Furthermore, we have to consider the hardiness of the plants themselves. So I have tried to make up a list of such as are best known and not only used for this purpose alone, but often found in the hardy border as well. Quite a few of the varieties in this group are very valuable for cut flowers.

Agrostemma.
Aquelegia.
Arabis Alpina.
Aster (dwarf sorts).
Bellis Perennis.
Campanula Carpatica.
Cerastium Tomentosum.
Dianthus (hardy pinks).
Funkia.
Geum Atrosanguineum.
Lily of the Valley.
Lathyrus Latifolius.
Lupinus.
Heuchera Sanguinea.
Iris Pumila.
Helianthemum.
Lychnis.
Mysotis.
Papaver Nudicaule.
Platycodon.
Phlox Subulata.
Primula Polyanthus.
Ranunculus Acris fl. pl.
Sedum acre.
Sedum Spectabile.
Shasta Daisy.
Stokesia cyanea.
Vinea Minor.

PANSY PLANTS

International. A strain of giant flowered Pansies in all the colors and shades that you can name. This mixture was collected from specialists of America and Europe. I personally gathered a lot of it myself in France. Each year I add new blood of the best varieties I can get in order to maintain and improve the strain. Large plants **Spring** only.

1st size, \$4.00 per 100, \$25.00 per 1000.

PERENNIALS

Specimen Plants

I have on hand fine, large plants or clumps of from two to three years' growth of the most of the varieties herein quoted which are larger than the regular sizes I send out. These plants are many times desired for immediate mature effect and are sold generally at 25 cents each, or \$2.50 per dozen. When a lot of special sizes are wanted I invite you to submit your list to me and I will cheerfully quote you on same by return mail.
